## IMPORTANT INFORMATION:

### X-RAY / DENTAL IMAGING

No appointments necessary.

X-Rays do not require any special preparation. Any metal objects such as watches, keys, coins and jewellery will show up on the X-Ray affecting the image and therefore may need to be removed.

### CT SCAN

Same day appointments are available for non contrast examinations.

For contrast examinations, nothing to eat two hours prior to examination.

### ULTRASOUND

Booking is preferred. Limited same day appointments available for most of the examinations.

4-6 hours fasting may be needed for upper abdomen and full bladder for renal scans and pregnancy scans.

Please call to confirm the preparation needed for specific examination.

### INJECTIONS

Limited same day appointments are available. Most of the injections will be scheduled within 48 hours.

No special preparation necessary. Please bring previous test results and films on the day of injection.

### IMAGING RESULTS

24 x 7 electronic access to images and reports are available to referring doctors. Our results are almost always available on the same day as the examination.

## BULK BILLING

Your doctor has recommended that you use ACE Radiology. You may choose another provider, but please discuss this with your doctor first.
